Your life, your goals,
what matters to you.

Annecto

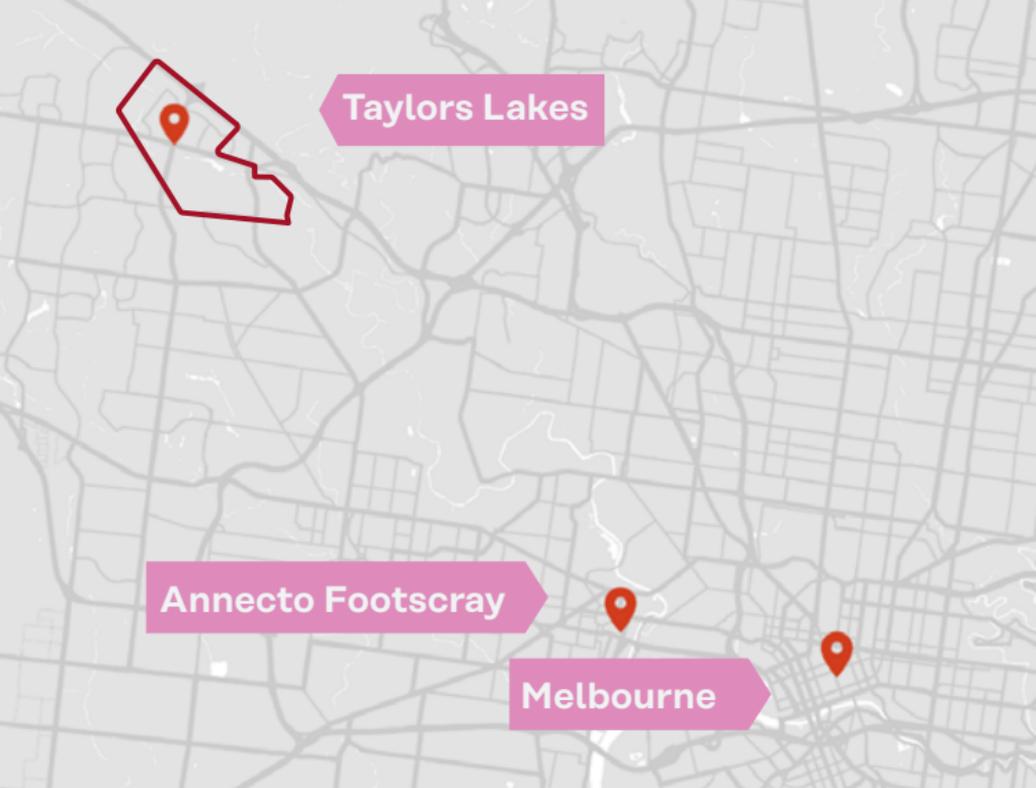

Support to live your life

Who are we?

Annecto is a disability and aged care support provider. We find the best way to provide individualised services by listening to the needs and goals of the people we support, their family, and their community.

Our focus is on supporting you and your community so that you can be in control and live the life you choose.

What do we offer?

Annecto Housing and Support offers an out-of-home Short-Term Accommodation (STA) service for participants that have NDIS STA funding.

Located in Taylors Lakes, our short stay site is accessible to anyone in need of a short break or looking to take a first step towards living independently.

We provide a safe space that is set up for you, outside of your usual home, whether it's for a night or for six weeks.

We also offer medium-term stays (up to 90 days).

The Annecto team will make sure you are comfortable, safe and supported during your stay.

When is it open?

Our short stay site is open all year for 24/7 support (except Christmas Day).

What does it cost?

You will need to have funds in your NDIS plan for *STA and Assistance (inc. Respite)*. These funds will cover your stay (food, bedding, towels, utilities and support staff). We also offer activities and events during your stay, at an additional cost.
