Annecto

Support to live your life

Support to live your life

Annecto is an NDIS provider who puts you and your life goals at the centre of our work. We listen, respect, and celebrate the human rights of all individuals and their choices, hopes and dreams.

We have designed new and innovative programs of support to help you get involved with your local community, learn new skills, discover new activities and connect with other people.

Your life.
Your goals.
What matters to you.

Our programs of support are designed for individuals to come together and work on goals that are important to them. These goals are then achieved with Annecto staff's support and guidance, either as a group or individually in one-on-one sessions, in alignment with your NDIS funding.

Each program runs for a 12-week period, and has detailed outcomes and learning opportunities that match your goals.

Personal growth and skill development

At the end of each session, each participant will have built on pre-existing skills, or developed a new skill that they can continue to use and build upon.

You can do the same program more than once if that is what you choose to do. These programs are all about personal growth, learning and skill development. They are guided by you and your goals, there is no passing or failing!

Additional information

Our programs of support:

- Are for adults only (18+ years old)
- Are inclusive of all individuals, regardless of their support requirements
- Can be completed in a group session or individualised
- Run across multiple locations in the Western and Grampians region

We want to know what's important to you!
