Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your care plan. Every Home Care Package, including those being self-managed will require some level of care management.

- Phone support is offered between 5 pm to 9 am on weekdays and 24 hours on weekends and public holidays. Our After Hours staff work with culturally and linguistically diverse communities covering over 30 different language groups
- Reviewing the Home Care Agreement and care plan
- Coordination and scheduling of services
- Ensuring the care is aligned with other supports
- Providing a point-of-contact for the home care recipient or their support network
- Ensuring care is culturally appropriate
- Identifying and addressing risks to the home care recipient's safety
